The Total Ceiling Price for the Base Period and all Option Periods is increased as reflected on the following page for the specified Optional "As Needed Capabilities" CLINS.

2. The Total Contract Award is increased by [REDACTED] from [REDACTED] to [REDACTED] Because of the nature of the services and the structure of the Task Order pricing, which allows for price adjustments for fluctuations in the call volume levels, the contract awarded value is taking into consideration the value of CLIN 0005AA. However, this is an estimated value that may be increased to reflect actual call volume levels over time. Therefore, the Total Estimated Potential Value of this Task Order Award is [REDACTED] inclusive of all options and up to six months of performance under FAR Clause 52.217-8, Option to Extend Services.
